

Better Future

IN **60** SECONDS

OUR PURPOSE Inspire Leaders to Change the World

OUR VISION A Better Future. A world full of love, tolerance and joy on a healthy planet. Where people are interconnected and equal opportunities exist for all. With businesses playing a key role in solving the challenges of our times and where making profit is a means to a meaningful end.

OUR CORE BUSINESS Inspire leaders, make meaningful new connections and improve organizations and society.

OUR SERVICES take many shapes:

- Inspirational leadership programs in India with local and international managers learning from each other
- Local leadership experiences that connect corporates and communities
- Facilitation of organization renewal and change processes
- Design of game-changing CSR programs and partnerships
- Support of social entrepreneurs and social brands
- Development and launch of new initiatives in society

OUR CLIENTS From small entrepreneurs in rural India to large multinational corporations in India and Europe. We work together with leading organizations in business and society.

OUR COMPETENCES Listening, Co-creating and Realizing. We listen to what is happening in society and the real needs of our clients. We co-create innovative solutions with our clients and partners in society and ensure that social and business impact are realized at the end of the day.

OUR VALUES Honesty, Passion, Creativity, Impact

Our Partners We work with a number of business partners to offer a broad range of innovative solutions. They include Hay Group (leaders in HR), and Fresh Forward (leaders in branding) and Christ University (leaders in executive education).

Our Scope From our offices in India and the Netherlands and with our partners in Africa we have impacted business and communities in Africa, Europe, Asia and the Americas since our start in 2003.

Our People We love what we do. We are passionate professionals, all dedicated to making a lasting difference in society.

Our Invitation Let's have a coffee and think together about how business can change our world in a positive way.
